Receiving ideas from our diverse community.
Encourage more community representation on our committees and the commission.

Provide a list of arts associated businesses.
Arts related education programs

Support by attending Lovd Arts Commission events and programs
The Lovd Arts Commission is a walking billboard for the arts, individually and as a group

Encouraging the arts to flourish, we embrace the cultural and economic diversity of our entire community.
We have provided stronger support of community arts groups, both existing and new organizations.
The Lovd Arts Commission is the advocate for the arts in our region.
